OFFICE OF INFORMATION MEMORANDUM NO. 34

Submission to the Library of Congress of Duplicated Information
Relating to the War

The Library of Congress has asked to receive two copies of all duplicated information, including general administrative instructions, prepared by the Department in Washington and in the field relating to the war. Printed material will be supplied the Library through the Government Printing Office; confidential information need not be included. The request is government-wide, designed to assist research workers and historians to properly analyze the effects of the war and the response of government to it.

Effective July 15, 1942, please collect the material and forward it monthly beginning with August 15 to Ed Waymack, 408 Administration Building.
